Savvy Staffing Solutions

- **Permanent**

Our most direct approach involves identifying and placing the ideal professional within your organisation. Leveraging our extensive network and customized recruitment campaigns, we ensure a seamless integration of talent into your company.

- **Freelance**

Agility in Action: The R2-Alliance provides access to a global network of top-tier contractors, ready to take on urgent projects. Our consultants are prepared to augment your team's capabilities whilst being on our payroll.

- **Remote & Relocate**

We offer a flexible solution that allows for an initial remote collaboration with the potential for future permanent employment. This enables both parties to evaluate the relationship before making a long-term commitment.

- **Offshore Hub**

The R2-Alliance offers a cutting-edge service for establishing offshore hubs in strategic locations such as Italy, Spain and South Africa. Our service is designed to leverage the local tech knowledge and (maritime) infrastructure.

Why our partners work with us

- **Global Compliance & Local Knowledge**

The R2-Alliance has a strong record in sourcing talent globally. We ensure payroll is compliant and we have a deep understanding of many tax systems.

- **Experience in Technology**

The R2-Alliance specializes in connecting exceptional talent with leading organisations in the UAE and the Netherlands. We have a strong presence in both markets.

- **High Retention rates**

We take great pride in our high retention rates, demonstrating our commitment to not only find the right fit, but also ensuring dedications to your organisation's long-term success.
